Title: My Christmas List

Author: Mayor GreyPawn

---

Dearest Santa,  
I have by all means been  
rather good this year. I  
haven't killed, tortured, or  
imprisoned anyone who  
didn't deserve it this  
year as I may have other  
years. With this in  
mind, I've expanded my  
Christmas list. Disregard  
the previous year's list if  
you would please.

Sincerely,  
Mayor GreyPawn  
(list attached)
